Important Notes Related to Transfers Services	The Customer will be charged 1 JOD up to 3 Salaries/ same Company and 1 JOD for any additional salary transfer per month.
	Outward remittance inside Jordan : if the client requests to bear all outward remittance charges, including those of the correspondent bank(s), the incoming remittance commissions are applied (according to the outward remittance classification in addition to the outward remittance charges). ACH transfer limit: JOD 100,000 for local currencies and 50,000 for foreign currencies (USD,EUR & GBP). If the outward transfers are higher than the limit of ACH remittances, it will be transferred by RTGS.
	Outward remittance Outside Jordan: If the client requests to bear all the outward remittance charges including those of the correspondent bank(s), JOD 30 or equivalent in other currencies will be charged to the clients account, in addition to bearing any additional fees that may be requested by the correspondent bank(s) and the commissions incurred on the outward remittance. If the client requests to bear all the outward remittance charges through Blockchain, USD 10 or equivalent in other currencies will be charged to the clients account, in addition to bearing the commissions incurred on the outward remittance. The bank reserves the right to revert to the client if the claimed commission exceeds the amount previously debited.
